| <p>The artwork above shows Louisiana strawberry pickers, who often work 12 hours per day stooped amidst dangerous pesticides. In the early 2000's, the New Orleans Workers' Center for Racial Justice (for whom this art was made) organized against farm owners who subjected Mexican guest workers to involuntary servitude and brutal conditions in the fields. Each year, International Workers' Day (May 1) falls in the middle of strawberry season.</p> | |  | | <p>1</p> <p>The 1st International Workers Day is commemorated amidst the struggle for an 8 hour work day. 1886.</p> | <p>2</p> | |
