

① LAY SHEET FLAT, PRINTED SIDE DOWN.

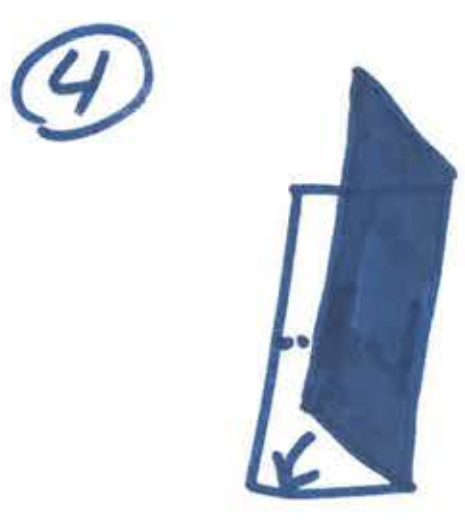

HOW TO FOLD POCKET ZINES

② FOLD IN HALF, CREASE, AND UNFOLD.

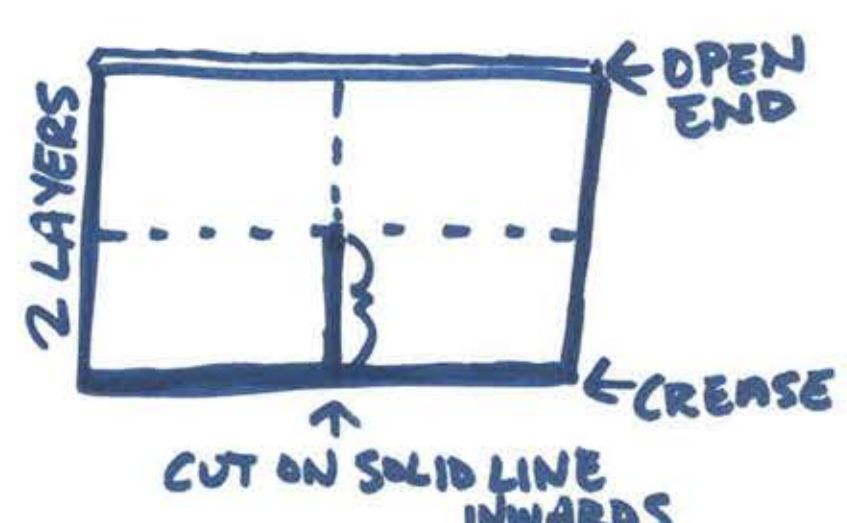

③ FOLD IN HALF AGAIN, AND CREASE...

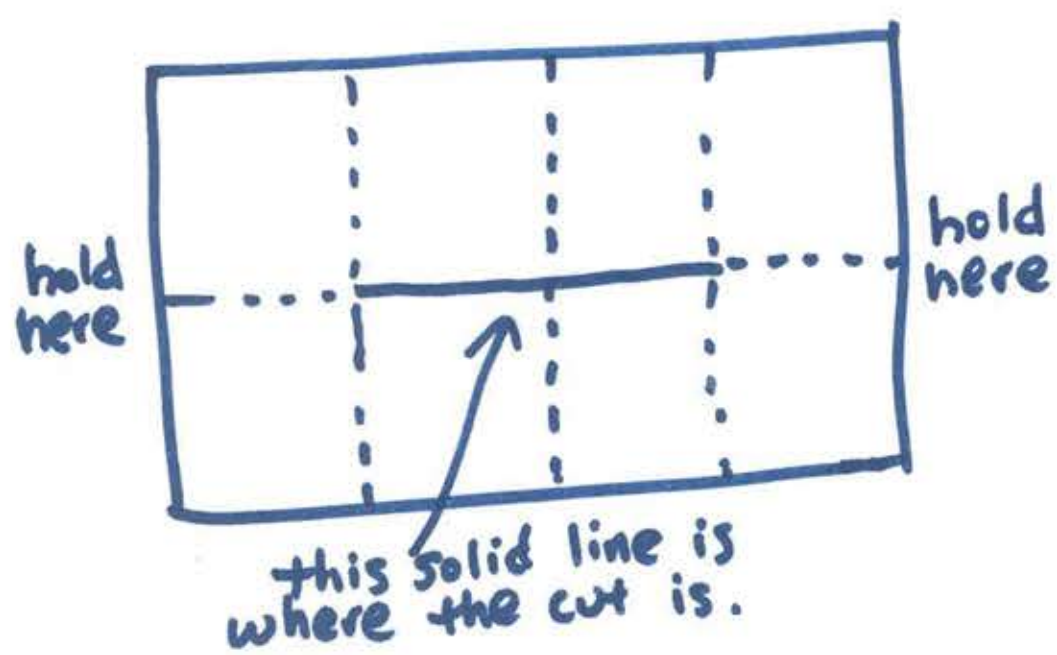

④ ... AND AGAIN, AND CREASE.

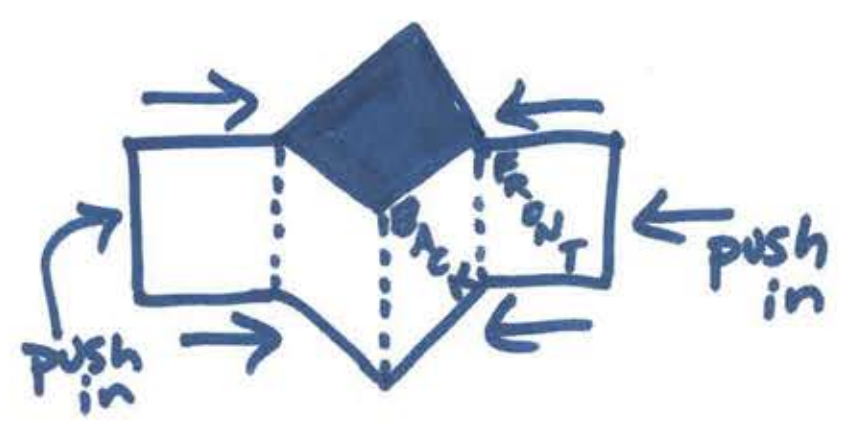

⑤ NOW UNDO THE LAST FOLD. THE PRINTED SIDE SHOULD BE FACING OUT. ROTATE SO THE CREASE IS FACING YOU, AND CUT THRU BOTH LAYERS LIKE THIS.

⑥ UNFOLD AND HOLD WITH BOTH HANDS, PRINTED SIDE UP.

⑦ *The Tricky Part* FOLD OVER THE LONG WAY AND PUSH INWARDS FROM BOTH ENDS.

⑧ PUSH TOGETHER ALL THE WAY AND YOU'LL SEE THE ZINE BEGIN TO FORM. MAKE SURE THE COVER IS FACING OUT, AND CREASE EACH SIDE A FINAL TIME. THAT'S IT!

TIP: ONCE YOU GET THE HANG OF IT, YOU CAN DO STEPS 1-5 FOR A FEW SHEETS AT A TIME.
